

# Gusti's craft template 1

- First, cut out the three shapes.
- Now glue Gusti's comb and beak to the body.
- Paint on his eyes.
- Next, use a needle or scissors to make two holes in the marked spots. (Ask an adult for help.)
- You can thread a string or ribbon through these holes and attach beads to both ends. And just like that, your Gusti is finished!

# Gusti's craft template 2

- Cut out the 3 shapes.
- Now glue Gusti's comb and beak to the body.
- Paint an eye on it.
- Glue a blue feather to the back.
- In the next step, use a needle or scissors to make a hole in the marked spot.  
→ Ask an adult for help.
- You can thread a string/ribbon through the hole and attach beads to both ends.
- Paint Gusti with your favorite colors.
