MIRROR, MIRROR

WHAT'S GOING ON
WITH BEAUTY NOW?

“If only I had a child as white as snow, as red as blood and as black as the wood in this frame,” sighs the queen. Her wish is granted, she gives birth to a beautiful daughter, who she calls Snow-White, because she has skin as white as snow, red cheeks and hair as black as ebony. Of course, our Moar Gut spa and beauty treatments won’t turn you into Snow-White or the frog into a prince, but they will at least make you just as beautiful as the fairy-tale princess and as attractive as her prince. Let us pamper your skin with carefully selected salves and oils in our fairy-tale spa areas. We can make your hair gleam, whether it’s as black as ebony or as blond as wheat. Spend some glorious hours in our fragrant sauna worlds. Even the seven dwarves can expect some pampering from our beauty experts, who know just the right treatments for children. What little one can say no to a chocolate massage?

Taking a warm shower or visiting the sauna or steam room before your appointment relaxes and cleanses the pores, making it easier for the massage oil to be absorbed. Avoid heavy meals and alcoholic beverages before treatment. Please arrive at the wellness reception 10 minutes before your treatment so that it can start on time.

Relaxing and drinking – Avoid activities immediately after the treatment and do not forget to drink enough water or tea. We recommend that you relax for half an hour after your treatment.
